

Chocolate Crazy Cake

in a mug (Dairy Free)

Add the following ingredients to your mix as instructed below:

1/2 teaspoon white vinegar
1/4 teaspoon pure vanilla extract
2 teaspoons vegetable oil (or canola)
4 1/2 Tablespoons water

Instructions:

Spray the inside of the mug with non-stick cooking spray. Put the cake mix in the mug, mix well. After mixing well, make 3 depressions in dry ingredients. Pour vinegar in one depression, vanilla in the other and the vegetable oil in third depression. Pour water over top. Mix well until smooth using a fork. Place in microwave and cook on high for 1-2 minutes, uncovered. Check with toothpick to make sure it comes out clean. Be sure not to over cook.
